Harmony Lane

*This delightful 27 minute short is like spending a night at the Palladium with several variety acts.
They include dancing by the Jack Billings Trio; a song by the Beverley Sisters; "Swan Lake" by Svetlana Beriosova
and David Paltenghi of the Sadler's Wells Ballet; precision dancing by The Television Toppers.
And a comedy routine with Dora Bryan and Max Bygraves.
The orchestra was directed by future Hammer Studios composer, Philip Martell.*
